JOCIS is a Scientific Journal created by MediaXXI/ Formalpress in partnership with several international entities, such as International Media Management Academic Association (IMMAA), and also with the collaboration of the Centre for Research in Communication, Information and Digital Culture (CIC. Digital) of the Faculty of Arts and Humanities of the University of Porto and the Faculty of Social and Human Sciences of the University Nova of Lisbon.

Co-directed by Terry Flew and Paulo Faustino, JOCIS is created, designed and peer-reviewed by a highly qualified international team of academic researchers and publishers with years of experience.
